

# ***Empowering Women as Leaders***

Scholarships, mentoring, and networking

**April 2020**

## **Hello!**

Just a note to say HELLO from all of us at Empowering Women as Leaders!

We hope you are all doing well with the social distancing, working at home, online learning, etc. We know it is tempting to stress eat, worry, and binge-watch new shows! Hopefully we are finding BALANCE, and being creative in this opportunity we have to actually destress, enjoy a slower norm, and reconnect with friends and family.

Please feel free to reach out to any of the board members, mentors, or other STARS if you have an urge to talk, or if you need advice or assistance. We are here to help! And if you have good news to share, we WANT TO KNOW!

## **Fundraising Efforts Made Easy with AmazonSmile**

If you're doing a lot of ordering online, and ordering from Amazon, remember EWL with AmazonSmile. It's a great way to help EWL raise funds and not cost you anything!

AmazonSmile is a program that donates 0.5% of your eligible purchases on Amazon to a charity of your choice. All you need to do is start shopping at [smile.amazon.com](https://smile.amazon.com) and setup the non-profit for Amazon to pay. The donation will be made at no extra cost to you and you can choose from nearly one million public charitable organizations. EWL International and EWL Dallas are registered with Amazon Smile. We hope to have EWL Fort Worth registered soon. We would appreciate if you would select one of these chapters as your preferred charity and have AmazonSmile donate on your behalf to EWL!

You can also bookmark AmazonSmile for easy access when placing an Amazon order. You can also share this with friends and family to add to the fundraising possibilities!

## Save the Date!

We can't wait to see you all! We are planning a big event for when we can get back together. Much like the Evening Among the STARS event in May 2019, this will be a reunion event at Texas Woman's University on Wednesday September 23rd at 6:00 pm. We are so honored to have Dr. Feyten, Chancellor of TWU, as a guest speaker at the event. We look forward to having a large crowd of STARS, STAR alumni, mentors, sponsors, board members, and guests too!

More details about this exciting event coming soon!
